Dear Mr. Bergeron, Jr.:

I am writing this letter to formally thank you for all the encouragement and support you gave me during my 32 years at Bergeron Land Development, Inc. I have very much enjoyed my time at the company. I am obliged to retire due to sickness.

The decision was not easy to make on my part. The past 32 years have been gratifying. Please accept my deepest gratitude for you and our colleagues have done for me during my tenure here. I have learned so much while working for your company. I will forever remember my time here.

Once again, thank you so much for being an impeccable president during my time at Bergeron Land Development, Inc. I wish you and the company all the best. I do hope our paths cross again in the future.

Sincerely,
